TOPIC-BASED TARGETING

on NETDOKTOR.ch

Sponsor a specialist article (runtime 12 months)

The specialist article you book will present your topic/area of specialisation based on a foundation of well-researched scientific knowledge and examine it from different angles.

- **Your advertisement (combination of online and mobile) will be displayed exclusively on the entire site.**
- The advertisement links to the customer or product website.
- Right of first refusal up to six weeks before the sponsorship expires (from a runtime of 12 months)

100% exclusive. Your advertisements occupy every advertising space on the page

Term

12 months

Format

Topic-based targeting

Costs in €

media	24,990
(individual package offers on request)	

Media costs: Discount-forming, discount-eligible and AE-eligible (when booked through an agency)
Non-binding sample scribbles.

DELIVERABLES

Topic-based targeting

DELIVERABLES – MINIMUM PLACEMENT

Minimum placement:

An advertising media on top and in the content (billboard and MCA 2:1)

- For desktop:
 - Billboard (800 x 250 pixels)
- For mobile:
 - MCA 2:1 (320 x 150 pixels)

If the MCA and medium rectangle are supplied, the entire page is occupied, but only one of the two formats is used per ad slot.

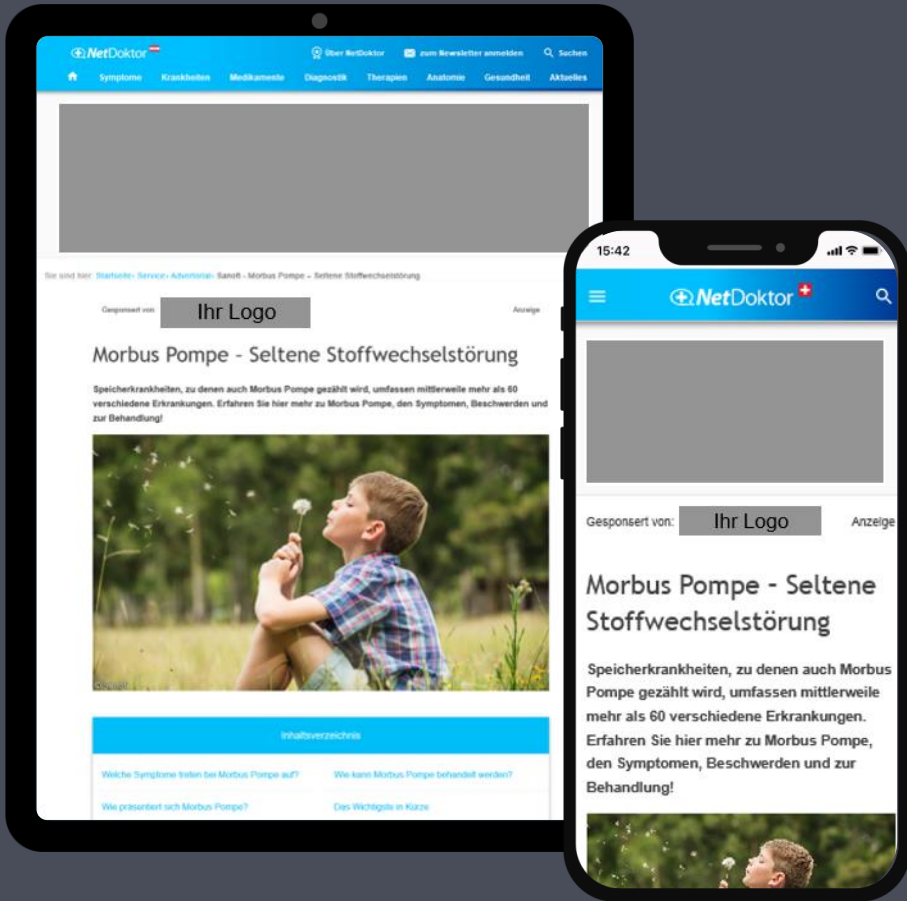

We recommend supplying at least the branding package:

- For desktop:
 - Medium rectangle (300 x 250 pixels)
 - Half-page ad (300 x 600 pixels) multiscreen and sticky
 - Billboard (800 x 250 pixels)
- For mobile:
 - MCA 2:1 (320 x 150 pixels)

Advertising materials are to be sent to:
bcn.campaigning@burda.com

NATIVE INTEGRATION

Sponsored content article

Spring Offer

The editorial service team will develop a tailor-made sponsored content article in keeping with the look and feel of the **NETDOKTOR.CH** website based on your customer briefing. This will also include final proofreading.

- Feedback implemented in two rounds of revision
- Integration into the editorial team's CMS
- A complementary branding package consisting of various advertising media can be integrated.
- You can freely select which advertising media to link (for example, customer or product website).
- Accompanying native teasers with integrated call to action ('Find out more') link to the native article and lead traffic to your communication message.
- Includes newsletter integration

Term: six to eight weeks (content coordination)

EXPERT INTERVIEW

on NETDOKTOR.ch

Spring Offer

You can choose to have an expert interview published on NETDOKTOR.ch. This will see your expert present your topic in the form of an interview and provide our users with valuable tips and recommendations.

The interview is created as a custom sponsored content article and is labelled as an advertisement. You must provide the expert.

The expert interview is conducted by the **NETDOKTOR.ch** editorial service team and prepared in keeping with the look, feel and tone of the NetDoktor brand.

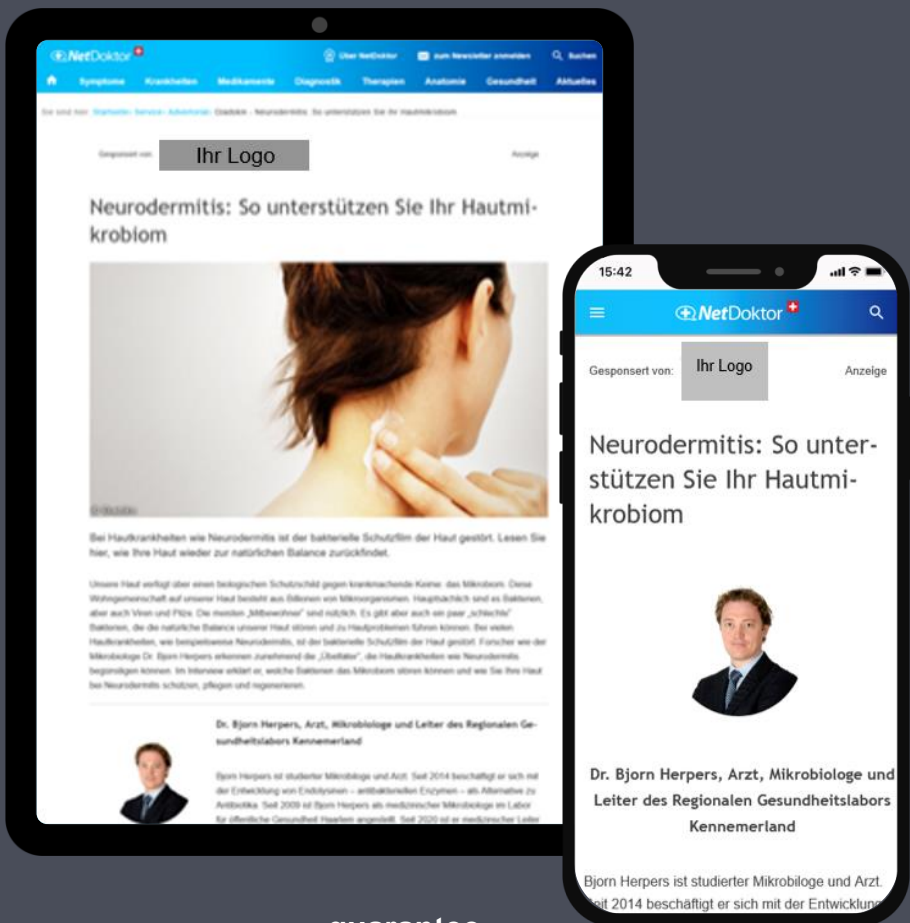

- Lead time: min. 6–8 weeks
- Includes newsletter integration
- Feedback implemented in two rounds of revision
- **Integration of a complementary branding package consisting of various advertising materials is possible.**

Accompanying native teasers with integrated call to action ('Find out more') link to the expert interview and lead traffic to your communication message.
