## Additional ad specials available on request.

Prices apply for the booking of at least the entire domestic print run.

The publisher reserves the right to reschedule bookings with less than domestic print run.

Smaller booking units, e.g. according to Nielsen areas or federal states, are possible. For these will be charged an additional 25% per thousand.

A minimum run of 30.000 copies applies for all ad specials.

**All tariff ad specials are eligible for discount and count towards the annual agreement commitment.**

### Calculation basis:

The calculation basis is the planned circulation or IVW quarterly report upon order confirmation, exclusive of the respective e-paper copies.

### Delivered quantity:

The delivered quantity is based on the planned print run or IVW quarterly report valid at the date of the order confirmation, plus 2 % surplus. In order to react to circulation fluctuations at short notice, we recommend contacting our Print Management/Placement (see "Your Personal Contacts" page) one more time before production start.

### Delivery address and deadline:

Please find the delivery address and deadline on the respective order confirmation. An incoming goods inspection does not take place at the printing plant.

### Conditions of delivery:

Ad specials must be delivered in accordance with the guidelines of the Bundesverband für Druck und Medien (German Association of Print and Media), and be clearly marked with the name of the publication and issue. The material must be delivered, carriage paid, to the address where it will be processed.

### Order and cancellation date:

See "special closing dates" on page "Schedule & Topics Print"; due to limited availability, we strongly recommend booking as early as possible.

### Proviso:

Should any processing problems arise, completion of the circulation takes priority over ad special processing.

### AdSpecial Portal:

Binding technical information on Ad Specials and information on deadlines, samples and delivery for the participating objects is available for download at [adspecial-portal.de](http://adspecial-portal.de)

### Glued-on inserts:

The basis is a 1/1 carrier advertisement.

### Sample products:

An additional postal fee applies to samples and objects over 2.5 mm thickness.

### Samples:

Samples must be presented by the closing date at the latest. For product samples 50 pieces are required up front. For all other ad specials a minimum of 5 samples are required. To be sent: AdTech Factory, Print Management, Hauptstraße 127, 77652 Offenburg, Germany.
