A minimum run of 50,000 copies applies for all ad specials.

All tariff ad specials are eligible for discount and count towards the annual agreement commitment.

Calculation basis:

The calculation basis is the planned circulation or IVW quarterly report upon order confirmation, exclusive of the respective e-paper copies.

Delivered quantity:

The delivered quantity is based on the planned print run or IVW quarterly report valid at the date of the order confirmation, plus 2 % surplus. In order to react to circulation fluctuations at short notice, we recommend contacting our Print Management/Placement (see "Your Personal Contacts" page) one more time before production start.

Delivery address and deadline:

Please find the delivery address and deadline on the respective order confirmation. An incoming goods inspection does not take place at the printing plant.

Conditions of delivery:

Ad specials must be delivered in accordance with the guidelines of the Bundesverband für Druck und Medien (German Association of Print and Media), and be clearly marked with the name of the publication and issue. The material must be delivered, carriage paid, to the address where it will be processed.

Order and cancellation date:

See "special closing dates" on page "Schedule & Topics Print"; due to limited availability, we strongly recommend booking as early as possible.

Proviso:

Should any processing problems arise, completion of the circulation takes priority over ad special processing.

Binding technical information on Ad Specials and information on deadlines, samples and delivery for the participating objects is available for download at adspecial-portal.de

Glued-on inserts:

The basis is a 1/1 carrier advertisement.
