The publisher reserves the right to reschedule bookings with less than domestic print run.

A minimum run of 50,000 copies applies for all ad specials.

Smaller booking units, e.g. according to Nielsen areas or federal states, are possible. For split-run advertising there will be calculated no surcharge.

*Circulation excl. subscriptions is made up of the combined print runs for the circulation segments newsstand, subscription circles, inflight and other sales.

All tariff ad specials are eligible for discount and count towards the annual agreement commitment.

Calculation basis:

The calculation basis is the planned circulation or IVW quarterly report upon order confirmation, exclusive of the respective e-paper copies.

Delivered quantity:

The delivered quantity is based on the planned print run or IVW quarterly report valid at the date of the order confirmation, plus 2 % surplus. In order to react to circulation fluctuations at short notice, we recommend contacting our Print Management/Placement (see "Your Personal Contacts" page) one more time before production start.

Please find the delivery address and deadline on the respective order confirmation. An incoming goods inspection does not take place at the printing plant.

Conditions of delivery:

Ad specials must be delivered in accordance with the guidelines of the Bundesverband für Druck und Medien (German Association of Print and Media), and be clearly marked with the name of the publication and issue. The material must be delivered, carriage paid, to the address where it will be processed.

Order and cancellation date:

See "special closing dates" on page "Schedule & Topics Print"; due to limited availability, we strongly recommend booking as early as possible.

Proviso:

Should any processing problems arise, completion of the circulation takes priority over ad special processing.
