All tariff ad specials are eligible for discount and count towards the annual agreement commitment.

Calculation basis:

The calculation basis is the planned circulation or IVW quarterly report upon order confirmation, exclusive of the respective e-paper copies.

Delivered quantity:

The delivered quantity is based on the planned print run or IVW quarterly report valid at the date of the order confirmation, plus 2 % surplus. In order to react to circulation fluctuations at short notice, we recommend contacting our Print Management/Placement (see "Your Personal Contacts" page) one more time before production start.

The material must be delivered, carriage paid, to the address where it will be processed.

Order and cancellation date:

See "special closing dates" on page "Schedule & Topics Print"; due to limited availability, we strongly recommend booking as early as possible.

Proviso:

Should any processing problems arise, completion of the circulation takes priority over ad special processing.
