

BUNTE NIGHT

Event

A NIGHT TO REMEMBER!

For the Bunte Night, Bunte opens its address book and, together with the partner, invites top-class guests, e.g. from fashion, music, business, beauty, film, to the exclusive Red-Carpet event.

Depending on the partner's wishes, the night can take place anywhere in Germany. We are also flexible in the setting: whether it is a get-together, a seated dinner or a party - everything is possible. The partner receives an attention-grabbing presence on site.

BUNTE NIGHT is characterised by a multi-media, wide-reaching presence with a strong media communication reach: around 30 million contacts**.
